SCIENCE TEACHERS ASSOCIATION OF TASMANIA

PO Box 1112, Sandy Bay, TAS 7006

BENEFITS YOU ENJOY AS A STAT MEMBER

- **ASTA Membership:** STAT is a member of the Australian Science Teachers Association (ASTA). STAT members are entitled to reduced registration fees for the annual national conference, CONASTA.
- **Journals:** Members of STAT receive the ASTA journal *Teaching Science* on a quarterly basis, STATIC newsletters four times a year and important activity updates from ASTA and STAT.
- **National Science Week Booklet:** STAT members receive a free copy of the Science Week Resource Book, which provides many science project ideas on the science week theme.
- **Professional development:** STAT conducts a range of professional development activities ranging from K - 12 and covering all areas of science education. The most significant of these activities is our annual conference, CONSTAT, which attracts many science educators from around the state. STAT members are given significant discounts on all professional development activities and preference where numbers are high.
- **Student activities:** Members receive information on all student activities that STAT is involved in. Including:
 - The Tasmanian Science Talent Search is open to all students in Kindergarten to Year 12. It aims to broaden awareness of, and interest in, science throughout the community. As many as 3000 students from all sectors participate in TSTS annually with a large proportion winning awards.
 - ASTA student competitions - STAT members receive all information regarding the various awards that are initiated and promoted each year.
- **Teacher Awards and Fellowships:** STAT members have access to all awards available through ASTA - some exciting opportunities will be available very soon. ASTA and STAT provide Distinguished Service Awards for members who give exemplary service to these organisations.

Notes:

1. Subscriptions are **tax deductible**. A receipt will be issued on receipt of payment
2. Student members receive a 25% discount on individual membership. Please include the official stamp of the institution attended. Please include details, on the membership application form, of the institution attended and your student number.
3. Personal Information gathered will only be used by ASTA and STAT for the purposes of providing information and resources to members.
